The purpose of the Academic Audit is to evaluate the performance of various departments, acknowledge their achievements, and provide suggestions for further improvement in the quality of teaching, research, administration, as well as curricular and extracurricular activities. The Academic and Audit Committee of the university play a vital role in ensuring the quality and integrity of academic processes, along with financial accountability. Its functions include assessing academic performance, monitoring academic activities, collecting feedback, and conducting audits of various aspects of the institution's operations.

This is issued with the approval of the competent authority.
