Ombudsman is a confidential, impartial, and independent resource dedicated to assisting students, faculty, and staff in addressing concerns, complaints, or questions related to university policies, procedures, or conduct. Serving as a neutral party, the ombudsman provides a safe and private space where individuals can express their concerns without fear of retaliation. They help facilitate communication, mediate conflicts, and guide individuals in exploring their options within the university system. Additionally, ombudsmen can identify recurring or systemic issues and bring them to the attention of university leadership, potentially prompting policy improvements. By fostering a culture of fairness, accountability,

and trust, university ombudsmen play a vital role in enhancing the learning and working environment for the entire academic community.

RuBIC seeks to position itself as a key catalyst for rural development by fostering entrepreneurship, making it the first of its kind in Arunachal Pradesh. The objective of the centre is t o discover, support, and incubate start-ups and enterprises by offering numerous opportunities and the appropriate platform for ideation, innovation, and business enhancement through mentorship, funding, and comprehensive business assistance.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development and Entrepreneurship (MSDE) implemented by National Skill Development Corporation (NSDC). The objective of this Skill Certification scheme is to enable Indian youth to take up industry relevant skill training that will help them in securing a better livelihood.

With an aim to empower country's youth and continue the journey of Skill India Mission in building India as the skill capital of the world, the Ministry of Skill Development and Entrepreneurship (MSDE) launched the third phase of its flagship scheme — Pradhan Mantri Kaushal Vikas Yojana (PMKVY 3.0) on 15

January 2021. PMKVY 3.0 aims to encourage and promote skill development throughout the country to address industry needs, meet market demands and impart skills in services and in new-age job roles that have become crucial with the advent of COVID-19 pandemic. The scheme aims to benefit over eight (08) lakh candidates in FY 2020-2021 with a budget of INR 948.90 crores while targeting the youth under the age group of 15-45 years. The scheme have two components — Central Component to be implemented by National Skill Development Corporation (NSDC), Directorate General of Training (DGT) and other agencies of the Central Ministries and the State Component to be implemented by State Skill Development Missions (SSDMs)/respective Departments of the States/UTs.

The focus of PMKVY 3.0 (2020-21) has been shifted from supply-based approach to demand-based approach. In the wake of disruption caused by COVID-19 and resultant impact on livelihood, the scheme (PMKVY 3.0) will give major focus on upskilling/reskilling with a focus on future skills (industry 4.0) courses to increase productivity of existing workforce and provide online/digital mode of training for wider coverage. Skill training will be imparted under three categories, pan-India: (1) Short Term Training (STT), (2) Recognition of Prior Learning (RPL), and (3) Special Project (SP)

Ministry of Skill Development and Entrepreneurship (MSDE) in consultation with Ministry of Education (MoE) has planned to implement the 'Skill Hub Initiative' under Pradhan Mantri Kaushal Vikas Yojana 3.0 (PMKVY 3.0). Scheme aims to facilitate and make education more relevant and create industry fit skilled workforce.

The 'Skill Hub Initiative' under the PMKVY 3.0 scheme shall focus on the introduction of skill training programmes in the education ecosystems. Initiative shall consider the policy level synergy on integration of vocational education with general education as envisioned in the 'National Education Policy 2020'. The effort shall supplement the objectives of 'National Policy for Skill Development and Entrepreneurship, 2015'.

In view of the above, successful integration of skilling with education will require support and synergy from every stakeholder(s) such as MoE, MSDE and other central Ministries/Departments including Higher Education Institutions (HEIs). The 'Skill Hub Initiative' shall be implemented under Central component of PMKVY 3.0 through National Skill Development Corporation (NSDC) and support of State Education Department/ Agencies. The implementation of the initiative shall ensure broad-based convergence of vocational education with formal education in a phased manner to achieve outcomes with speed and standard.

In pursuance to the discussion with Ministry of Skill Development and Entrepreneurship on 4th March, 2022, a committee was constituted through vide notification No. RGU/REG-45/AC/21 dated 4th March, 2022 with regard to offer Skill Development Courses regarding Skill Hubs Initiatives (SHI) under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 3.0. Subsequent to that Skill Hub Centre at Rajiv Gandhi University was established in the month of March, 2022. The Centre has offered two courses namely - CCTV Installation Technician and Technician - Paper Bag Manufacturing in very short span of time. The learners of first batch from both the courses have been successfully completed the programme.
