

Test Booklet No. _____

This booklet consists of 100 questions and __ printed pages.

RGUCET/2025/45

Series

RGUCET 2025
Common Entrance Test, 2025
MASTER OF EDUCATION (M. Ed.)

Full Marks: 100

Time: 2 Hours

Roll No.

--	--	--	--	--	--	--	--

Day and Date of Examination: _____

Signature of Invigilator(s) _____

Signature of Candidate _____

General Instructions:

PLEASE READ ALL THE INSTRUCTIONS CAREFULLY BEFORE MAKING ANY ENTRY.

1. DO NOT OPEN THIS TEST BOOKLET UNTIL YOU ARE TOLD TO DO SO.
2. Candidate must write his/her Roll Number on the space provided.
3. This Test Booklet contains 100 Multiple Choice Questions (MCQs) from the concerned subject. Each question carries 1 mark. There shall be negative marking of 0.25 against each wrong attempt.
4. Please check the Test Booklet to verify that the total pages and total number of questions contained in the test booklet are the same as those printed on the top of the first page. Also check whether the questions are in sequential order or not.
5. Candidates are not permitted to enter into the examination hall after the commencement of the entrance test or leave the examination hall before completion of Examination.
6. Making any identification mark in the OMR Answer Sheet or writing Roll Number anywhere other than the specified places will lead to disqualification of the candidate.
7. Candidates shall maintain silence inside and outside the examination hall. If candidates are found violating the instructions mentioned herein or announced in the examination hall, they will be summarily disqualified from the entrance test.
8. In case of any dispute, the decision of the Entrance Test Committee shall be final and binding.
9. The OMR Answer Sheet consists of two copies, the Original copy and the Student's copy

1	The smallest bone of human body is found in:				Ear								
	a) Neck	b) Nose	c) Ear	d) Eye	c								
2	Match the following pairs in association with State and Capital <table><tr><td>A. Telangana</td><td>i. Jaipur</td></tr><tr><td>B. Rajasthan</td><td>ii. Chandigarh</td></tr><tr><td>C. Madhya Pradesh</td><td>iii. Hyderabad</td></tr><tr><td>D. Haryana</td><td>iv. Bhopal</td></tr></table>				A. Telangana	i. Jaipur	B. Rajasthan	ii. Chandigarh	C. Madhya Pradesh	iii. Hyderabad	D. Haryana	iv. Bhopal	A-iii, B-i, C-iv, D-ii
A. Telangana	i. Jaipur												
B. Rajasthan	ii. Chandigarh												
C. Madhya Pradesh	iii. Hyderabad												
D. Haryana	iv. Bhopal												
	a) A-iv, B-i, C-iii, D-iv	b) A-iii, B-i, C-iv, D-ii	c) A-iii, B-i, C-ii, D-iv	d) A-iv, B-ii, C-iii, D-ii	b								
3	Which of the following statements is not true? A. Oslo is the Capital of Norway. B. The old name of Bhagalpur is Champa Nagari. C. Mawsmai Falls is located in Assam. D. Sisupalgarh the oldest city was located in Tamilnadu				C & D								
	a) A & D	b) B & D	c) C & B	d) C & D	D								
4	Assertion (A): Brahmos is a supersonic missile. Reason(R): Solid propellent Engine at its first stage brings it to supersonic speed. In the light of the above statements, choose the most appropriate answer from the options given below.				A and R are true, and R is the correct explanation of A.								
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	a								
5	Match the following pairs in association with National Parks and Wild Animal <table><tr><td>E. Gir</td><td>v. Elephant and Tiger</td></tr><tr><td>F. Periyar</td><td>vi. One Horn Rhinoceros</td></tr><tr><td>G. Bandhavgarh</td><td>vii. Tiger</td></tr><tr><td>H. Kajiranga</td><td>viii. Asiatic Lion</td></tr></table>				E. Gir	v. Elephant and Tiger	F. Periyar	vi. One Horn Rhinoceros	G. Bandhavgarh	vii. Tiger	H. Kajiranga	viii. Asiatic Lion	A-iv, B-i, C-iii, D-ii
E. Gir	v. Elephant and Tiger												
F. Periyar	vi. One Horn Rhinoceros												
G. Bandhavgarh	vii. Tiger												
H. Kajiranga	viii. Asiatic Lion												
	a) A-iv, B-i, C-iii, D-ii	b) A-i B-iii, C-iv, D-ii	c) A-iv, B-iii, C-ii, D-i	d) A-ii, B-i, C-iii, D-iv	a								

6	AQI stands for:				Air Quality Index								
	a)Air Quality Inhale	b) Air Qualification Inhale	c)Air Quality Indepth	d)Air Quality Index	d								
7	The formula to calculate Area (A) of the circle is:				$A= \pi r^2$								
	a) $A= 2\pi r^2$	b) $A=\pi r^2$	c) $A=2\pi r$	d) $A=1/2\pi r^2$	b								
8	Match the following trigonometry angles with their value: <table><tr><td>I. $\sec 0^\circ$</td><td>ix. 2</td></tr><tr><td>J. $\operatorname{cosec}30^\circ$</td><td>x. $1/2$</td></tr><tr><td>K. $\cos 60^\circ$</td><td>xi. 1</td></tr><tr><td>L. $\sin 270^\circ$</td><td>xii. -1</td></tr></table>				I. $\sec 0^\circ$	ix. 2	J. $\operatorname{cosec}30^\circ$	x. $1/2$	K. $\cos 60^\circ$	xi. 1	L. $\sin 270^\circ$	xii. -1	A-iii, B-i, C-ii, D-iv
I. $\sec 0^\circ$	ix. 2												
J. $\operatorname{cosec}30^\circ$	x. $1/2$												
K. $\cos 60^\circ$	xi. 1												
L. $\sin 270^\circ$	xii. -1												
	a) A-iii, B-ii, C-iv, D-i	b) A-ii, B-i, C-iv, D-iii	c) A-iii, B-i, C-ii, D-iv	d) A-iii, B-iv, C-ii, D-i	c								
9	Which of the following statements is/are false? A. Perimeter of a Rectangle = 2 X (Length+ Width) B. Perimeter of a Square = 4 X Length C. Perimeter of a Triangle = Side A+ Side B+ Side C D. Perimeter of a Rhombus is = 4 X Length X Breadth Choose the correct answer from the options given below.				D only								
	a) D only	b) A &B only	c) A, B, C & D	d) A, B & C only	a								
10	Assertion (A): 3 can be divided either by 1 or 3 itself. Reason(R): 3 is a prime number. In the light of the above statements, choose the most appropriate answer from the options given below.				A and R are true, and R is the correct explanation of A.								
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, R is true.	a								

11	Match the correct pairs of symbols with their name.				A-iv, B-i, C-iii, D-ii
	A. Copyright	i.	¶		
	B. Paragraph	ii.	®		
	C. Section	iii.	§		
	D. Registered	iv.	©		
	a) A-iv, B-iii, C-ii, D-i	b) A-i, B-iii, C-iv, D-ii	c) A-i, B-ii, C-iii, D-iv	d) A-iv, B-i, C-iii, D-ii	d
12	Mr. A walks 5 meter towards east turn left and walks 10 meter and turns right and walks 6 meter and again turn right. If he starts walking straight Find out the direction he is moving towards ?				South
	a) North	b) West	c) East	d) South	d
13	The ‘Safai Apnao, Bimaari Bhagao’ initiative under Swachh Bharat Mission-Urban 2.0 was launched by the:				Ministry of Housing and Urban Affairs
	a) Ministry of Housing and Urban Affairs	b) Ministry of Health and Family Welfare	c) Ministry of Agriculture	d) Ministry of Rural Development	a
14	A Payment bank does not issue:				Credit card
	a) ATM card	b) Debit card	c) Credit card	d) PRAN card	c
15	Which of the following sports is related to Syed Mushtaq Ali Trophy? A. Hockey B. Kabaddi C. Cricket D. Football Choose the correct answer from the options given below:				C only
	a) C only	b) A & C	c) B only	d) B & D	a
16	The position of India in the Global Gender Gap Index 2024 is:				129
	a) 125	b) 129	c) 134	d) 125	b

17	Match the following pairs in association with person and quotation.				A-ii, B-i, C-iv, D-iii
	M. Lal Bahadur Sastri	xiii.	Blood and water cannot flow together.		
	N. Narendra Modi	xiv.	Jai Jawan, Jai Kisan		
	O. Subhash Chandra Bose	xv.	Jai Jawan, Jai Kisan, Jai Vignan		
	P. Atal Bihari Bajpayee	xvi.	Give me blood, I will give you the independence.		
	a) A-iii, B-ii, C-iv, D-i	b) A-ii, B-i, C-iv, D-iii	c) A-ii, B-iii, C-i, D-iv	d) A-iii, B-iv, C-ii, D-i	b
18	Assertion (A): The present Chief Justice of Supreme Court of India is B. R. Gavai. Reason (R): B. R. Gavai belongs to Telangana. In the light of the above statements, choose the most appropriate answer from the options given below:				A is true, but R is false.
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false	A is false, but R is true	c
19	Which national park in Arunachal Pradesh, known for its rich biodiversity and high-altitude wildlife, has recently been highlighted for successful snow leopard sightings?				Namdapha National Park
	a)Namdapha National Park	b)Mouling National Park	c)Pakke Tiger Reserve	d)Kamlang Wildlife Sanctuary	(a)
20	Match the sports personalities with their respective sports:				A-ii, B-iii, C-i, D-iv
	A Michael Phelps		i Tennis		
	B Usain Bolt		ii Swimming		
	C Roger Federer		iii Athletics		
	D Serena Williams		iv Tennis		
	a) A-ii, B-iii, C-i, D-iv	b) A-iii, B-iv, C-i, D-ii	c) A-i, B-iii, C-iv, D-ii	d) A-iv, B-ii, C-iii, D-i	(a)
21	Intelligence Quotient (IQ) can also be defined as:				A score derived from standardized tests to assess cognitive abilities relative to age
	a) A measure of emotional intelligence	b) A score derived from standardized	c) A personality trait	d) A measure of physical coordination	b

		tests to assess cognitive abilities relative to age	assessment tool										
22	How many distinct types of intelligence are identified by Howard Gardner in his Theory of Multiple Intelligence?				9								
	a) 5	b) 7	c) 8	d) 9	d								
23	General Factor (g) and Specific Factor (s) are the factors of: A. Spearman’s Two Factor Theory of Intelligence B. Gardner’s Multiple Intelligences C. Guilford’s Structure of Intellect D. Thurstone’s Primary Mental Abilities Choose the correct answer from the options given below:				A only								
	a) B & C	b) A & B	c) D only	d) A only	d								
24	Assertion (A): Maslow’s hierarchy of needs suggests that self-actualization is achievable only after lower-level needs are met. Reason(R): The hierarchy is structured in a pyramid, with physiological needs at the base and self-actualization at the apex. In the light of the above statements, choose the most appropriate answer from the options given below.				A and R are true, and R is the correct explanation of A.								
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	a								
25	Match the following pairs: <table><tr><td>A. Trait Theory</td><td>i. Source Traits</td></tr><tr><td>B. Factor Theory</td><td>ii. Cardinal Traits</td></tr><tr><td>C. Psychoanalytical Theory</td><td>iii. Id, Ego, Superego</td></tr><tr><td>D. Humanistic Theory</td><td>iv. Self-actualization</td></tr></table>				A. Trait Theory	i. Source Traits	B. Factor Theory	ii. Cardinal Traits	C. Psychoanalytical Theory	iii. Id, Ego, Superego	D. Humanistic Theory	iv. Self-actualization	A-ii, B-i, C-iii , D-iv
A. Trait Theory	i. Source Traits												
B. Factor Theory	ii. Cardinal Traits												
C. Psychoanalytical Theory	iii. Id, Ego, Superego												
D. Humanistic Theory	iv. Self-actualization												
	a) A-ii, B-iv, C-iii, D-i	b) A-i B-iii, C-iv, D-ii	c) A-iv, B-iii, C-ii, D-i	d) A-ii, B-i, C-iii , D-iv	d								
26	How many source traits are there in Cattell’s Factor Theory of Personality?				16								
	a) 12	b) 16	c) 20	d) 24	b								

27	Which of the following intelligence(s) does/do not belong to Gardner's Theory of Multiple Intelligences A. Musical intelligence B. Crystallized intelligence C. Naturalistic intelligence D. Linguistic intelligence Choose the correct answer from the options given below:				B only								
	a) A & C	b) B & D	c) D only	d) B only	d								
28	In Maslow's hierarchy, which need must be fulfilled before esteem needs?				Love/Belonging								
	a) Physiological	b) Safety	c) Love/Belonging	d) Self-actualization	c								
29	Match the following theories of intelligence with their proponents: <table><tr><td>A. Two-factor Theory</td><td>i. Guilford</td></tr><tr><td>B. Structure of Intellect</td><td>ii. Spearman</td></tr><tr><td>C. Primary Mental Abilities</td><td>iii. Thurston</td></tr><tr><td>D. Multiple Intelligence</td><td>iv. Gardner</td></tr></table>				A. Two-factor Theory	i. Guilford	B. Structure of Intellect	ii. Spearman	C. Primary Mental Abilities	iii. Thurston	D. Multiple Intelligence	iv. Gardner	A-ii, B-i, C-iii, D-iv
A. Two-factor Theory	i. Guilford												
B. Structure of Intellect	ii. Spearman												
C. Primary Mental Abilities	iii. Thurston												
D. Multiple Intelligence	iv. Gardner												
	a) A-ii, B-i, C-iii, D-iv	b) A-i B-iii, C-iv, D-ii	c) A-iv, B-iii, C-ii, D-i	d) A-ii, B-iv, C-iii, D-i	a								
30	Which personality theory does emphasize the role of unconscious conflicts?				Freud's Psychoanalytical Theory								
	a) Allport's Trait Theory	b) Freud's Psychoanalytical Theory	c) Cattell's Factor Theory	d) Maslow's Humanistic Theory	b								
31	The primary goal of inclusive education is:				Providing equal educational opportunities for all students, including those with diverse needs.								
	a) Segregating students based on abilities.	b) Providing equal educational opportunities for all students, including those with diverse needs.	c) Focusing only on gifted students.	d) Replacing special education entirely.	b								

32	Which of the following is a key advantage of inclusive education?				Enhanced peer interaction and collaboration								
	a) Increased segregation	b) Enhanced peer interaction and collaboration	c) Reduced teacher training	d) Focus only on academic skills	b								
33	Match the following pairs: <table><tr><td>A. Inclusive Education</td><td>i. Education for specific disabilities</td></tr><tr><td>B. Special Education</td><td>ii. Partial mainstream integration</td></tr><tr><td>C. Integrated Education</td><td>iii. Full mainstream inclusion</td></tr><tr><td>D. Diverse Needs</td><td>iv. Varied learning requirements</td></tr></table>				A. Inclusive Education	i. Education for specific disabilities	B. Special Education	ii. Partial mainstream integration	C. Integrated Education	iii. Full mainstream inclusion	D. Diverse Needs	iv. Varied learning requirements	A-iii, B-i, C-ii, D-iv
A. Inclusive Education	i. Education for specific disabilities												
B. Special Education	ii. Partial mainstream integration												
C. Integrated Education	iii. Full mainstream inclusion												
D. Diverse Needs	iv. Varied learning requirements												
	a) A-iii, B-i, C-ii, D-iv	b) A-iii B-ii, C-iv, D-i	c) A-iv, B-iii, C-ii, D-i	d) A-ii, B-i, C-iii , D-iv	a								
34	<p>Assertion (A): Inclusive education promotes social inclusion and reduces stigma.</p> <p>Reason(R): Inclusive education allows students with diverse needs to interact with teachers only in mainstream settings.</p> <p>In the light of the above statements, choose the most appropriate answer from the options given below.</p>				A is true, but R is false.								
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	c								
35	Which of the following historical event did significantly influence the development of inclusive education?				Salamanca Statement (1994)								
	a)Industrial revolution	b)Salamanca Statement (1994)	c) World War II	d) Renaissance	b								
36	What do diverse needs primarily indicate in the context of inclusive education?				Physical, cognitive, and emotional differences								

	a) Academic performance only	b) Physical, cognitive, and emotional differences	c) Socioeconomic status only	d) Language proficiency only	b
37	A school with 10% of students requiring special accommodations in inclusive setting. If the school has 500 students, how many need special accommodations?				50
	a) A) 25	b) 50	c) 75	d) 100	b
38	<p>Special education focuses on providing tailored instruction exclusively for:</p> <p>A. Children with disabilities in separate settings. B. Children with aphasia in common settings. C. Children with giftedness in separate settings. D. Children with impulsivity in common settings.</p> <p>Choose the correct answer from the options given below:</p>				A only
	a) A & C	b) B & D	c) A only	d) B only	c
39	<p>Inclusive education requires modifications to the:</p> <p>A. Curriculum B. Teaching methods C. Learning resources D. Assessment</p> <p>Choose the correct answer from the options given below:</p>				A, B, C & D
	a) C only	b) B & D only	c) A, B, C & D	d) A, B & C only	c
40	<p>Assertion (A): Inclusive education requires teacher training in differentiated instruction.</p> <p>Reason(R): Teachers must adapt teaching methods to meet diverse student needs.</p> <p>In the light of the above statements, choose the most appropriate answer from the options given below.</p>				A and R are true, and R is the correct explanation of A.
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of	c) A is true, but R is false.	d) A is false, but R is true.	a

		A.											
41	The applications of the Normal Probability Curve were significantly used by:				Carl Friedrich Gauss								
	a) Abraham de Moivre	b) Carl Friedrich Gauss	c) Robert Campbell	d) James Bernoulli	b								
42	Match the following based on type of scale and its characteristics: <table><tr><td>A. Nominal</td><td>i. Rank order</td></tr><tr><td>B. Ordinal</td><td>ii. Equality of interval</td></tr><tr><td>C. Interval</td><td>iii. Determination of Equivalence/Non-Equivalence</td></tr><tr><td>D. Ratio</td><td>iv. Quality of ratio</td></tr></table>				A. Nominal	i. Rank order	B. Ordinal	ii. Equality of interval	C. Interval	iii. Determination of Equivalence/Non-Equivalence	D. Ratio	iv. Quality of ratio	A-iii, B-i, C-ii, D-iv
A. Nominal	i. Rank order												
B. Ordinal	ii. Equality of interval												
C. Interval	iii. Determination of Equivalence/Non-Equivalence												
D. Ratio	iv. Quality of ratio												
	a) A-iv, B-iii, C-ii, D-i	b) A-iii, B-i, C-ii, D-iv	c) A-i, B-ii, C-iv, D-iii	d) A-ii, B-i, C-iii, D-iv	b								
43	Which of the following statements is/are not true? <p>A. A measure of central tendency is a value around which all the observations have a tendency to cluster.</p> <p>B. Mode is the most frequency occurring observation in the data set.</p> <p>C. Skewness provides an idea of the shape of the distribution of the data.</p> <p>D. Kurtosis is the difference between the values of extreme items of a series.</p> <p>Choose the correct answer from the options given below.</p>				D only								
	a) D only	b) A & B	c) C & D	d) C only	a								
44	Assertion (A): Hypothesis (Null or Alternate) is framed to be verified or tested.				A and R are true, and R is the correct explanation of A.								
	Reason(R): Comparing the value of test statistic with critical value, help in rejecting or accepting null hypothesis.												
	In the light of the above statements, choose the most appropriate answer from the options given below.												
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, R is true.	a								
45	Match the following pairs: <table><tr><td>A. Descriptive statistics</td><td>i. Summary of the data</td></tr><tr><td>B. Differential statistics</td><td>ii. Inter comparison</td></tr><tr><td>C. Percentiles</td><td>iii. Inference of the data</td></tr><tr><td>D. Percentage</td><td>iv. Intra comparison</td></tr></table>				A. Descriptive statistics	i. Summary of the data	B. Differential statistics	ii. Inter comparison	C. Percentiles	iii. Inference of the data	D. Percentage	iv. Intra comparison	A-i, B-iii, C-ii, D-iv
A. Descriptive statistics	i. Summary of the data												
B. Differential statistics	ii. Inter comparison												
C. Percentiles	iii. Inference of the data												
D. Percentage	iv. Intra comparison												
	a) A-i, B-iii, C-ii, D-iv	b) A-i, B-iii, C-iv, D-ii	c) A-i, B-ii, C-iii, D-iv	d) A-iii, B-i, C-iii, D-iv	a								
46	Mr. A, B, C, D and E appeared in an competitive exam held in May 2025. Mr. C scored 86, Mr. B scored 91, Mr. A scored 72, Mr. D scored 58 and Mr. E scored 42 marks out of 100.				Ordinal Scale								

	Based upon the marks, they have been ranked as :												
	Mr. B 1 st Rank Mr. C 2 nd Rank Mr. A 3 rd Rank Mr. D 4 th Rank and Mr. E 5 th Rank Which of the following scale is used for ranking?												
	a) Nominal Scale	b) Ordinal Scale	c) Interval Scale	d) Ratio Scale	b								
47	Which of the following statements is/are false? A. In a speed test, individual difference depends entirely on the speed of the performance. B. Analyzing the speech of a person is qualitative type of research. C. Empirical research does not rely on experience or observation. D. Action research is carried out to find the immediate solution of the problem. Choose the correct answer from the options given below.				C only								
	a) D only	b) A & B	c) C & D	d) C only	d								
48	Review of the related literature of the problem helps in: A. Selecting almost appropriate method. B. Selecting variables C. Finding research gap. D. Setting hypothesis. Choose the correct answer from the options given below.				A, B, C & D								
	a) D only	b) A & B only	c) A, B, C & D	d) A, B & C only	c								
49	Match the following pairs. <table border="1"><tr><td>A. Ordinal/Rank data</td><td>i. Wilcoxon signed rank test</td></tr><tr><td>B. Significant difference between means of two groups with interval data</td><td>ii. t- test</td></tr><tr><td>C. Level of agreement between two raters.</td><td>iii. Cohen's kappa test</td></tr><tr><td>D. Significant differences between means of three or more groups with interval data</td><td>iv. Analysis of variance</td></tr></table>				A. Ordinal/Rank data	i. Wilcoxon signed rank test	B. Significant difference between means of two groups with interval data	ii. t- test	C. Level of agreement between two raters.	iii. Cohen's kappa test	D. Significant differences between means of three or more groups with interval data	iv. Analysis of variance	A-i, B-ii, C-iii, D-iv
A. Ordinal/Rank data	i. Wilcoxon signed rank test												
B. Significant difference between means of two groups with interval data	ii. t- test												
C. Level of agreement between two raters.	iii. Cohen's kappa test												
D. Significant differences between means of three or more groups with interval data	iv. Analysis of variance												
	a) A-i, B-iii, C-ii, D-iv	b) A-i, B-ii, C-iii, D-iv	c) A-i, B-ii, C-iv, D-iii	d) A-iii, B-i, C-ii, D-iv	b								
50	The formula for calculating Intelligence Quotient (IQ) is:				MA/CA*100								
	a) MA/CA*100	b)MA/DA*100	c) CA/MA*100	d) DA/MA*100	a								
51	Read the description of an activity in teaching learning process given below. “ A description of how the test will be constructed , including the details of the proportion of items that will assess different domains and skills and response formats.”				Blueprint								

	The above described activity is known as:												
	a) Test	b) Domain	c) Blueprint	d) Contextual Information	c								
52	Match the following LOTS and HOTS of original and revised Taxonomy. <table border="1"><tr><td>A. Knowledge</td><td>i. Understanding</td></tr><tr><td>B. Comprehension</td><td>ii. Evaluating</td></tr><tr><td>C. Synthesis</td><td>iii. Remembering</td></tr><tr><td>D. Evaluation</td><td>iv. Creating</td></tr></table>				A. Knowledge	i. Understanding	B. Comprehension	ii. Evaluating	C. Synthesis	iii. Remembering	D. Evaluation	iv. Creating	A-iii, B-i, C-iv, D-ii
A. Knowledge	i. Understanding												
B. Comprehension	ii. Evaluating												
C. Synthesis	iii. Remembering												
D. Evaluation	iv. Creating												
	a) A-iii, B-i, C-ii, D-iv	b) A-i B-iii, C-iv, D-ii	c) A-iii, B-i, C-iv, D-ii	d) A-ii, B-i, C-iii , D-iv	c								
53	Which of the following statement(s) is/are true in light of NCF 2025 about teaching in present times? A. Education makes one competent for diverse needs. B. Cultural education is must but in school it should be taught separately. C. Pedagogy of depressed need to be addressed by depressed. D. Multi-cultural education and teaching for diversity are the needs of contemporary times. Choose the correct answer from the options given below:				D only								
	a) A & C	b) B & D	c) D only	d) B only	c								
54	How many types of evaluation commonly we come across?				4								
	a) 4	b) 3	c) 2	d) 1	a								
55	Which of the following is/are not the principle(s) mentioned by Knowles (1984) about adult learning? A. Adult need to be involved in the planning and evaluation of their instruction. B. Experience provides the basis for the learning activities. C. Adults are most interested in learning subjects that have immediate relevance and impact to their job or personal life. D. Adult learning is as smooth as butter. Choose the correct answer from the options given below:				D only								
	a) A & C	b) B & D	c) D only	d) B only	c								
56	Pedagogy means:				Method of Teaching								
	a) Method of Teaching.	b) Children are dependent.	c) Dealing with biological	d) Logic of the	a								

			development.	subject matter.									
57	Match the following pairs based on Revised Bloom’s taxonomy. <table><tr><td>A. Remember</td><td>i. Classify</td></tr><tr><td>B. Understand</td><td>ii. Develop</td></tr><tr><td>C. Evaluate</td><td>iii. Define</td></tr><tr><td>D. Create</td><td>iv Judge</td></tr></table>				A. Remember	i. Classify	B. Understand	ii. Develop	C. Evaluate	iii. Define	D. Create	iv Judge	A-iii B-i, C-iv, D-ii
A. Remember	i. Classify												
B. Understand	ii. Develop												
C. Evaluate	iii. Define												
D. Create	iv Judge												
	a) A-iii, B-ii, C-i, D-iv	b) A-iii B-i, C-iv, D-ii	c) A-iii, B-i, C-iv, D-ii	d) A-ii, B-i, C-iii , D-iv	b								
58	“A Science teacher is teaching in the class. Teacher has a very positive perception about Mr. A. After explaining the concept in the class, teacher asks a few questions. Mr. A fails to give the correct answer. Teacher comes to his chamber and starts thinking why Mr. A could not answer the question? ” Name the above mentioned narration of the event from the options given below:				Reflection on Action								
	a) Reflection for Action	b) Reflection in Action	c) Reflection on Action	d) Reflection of Action	c								
59	The role of education as social sub-system includes: A. Providing knowledge, skills and employment only. B. Transmitting culture, values and norms across generation. C. Preparing individuals for higher education. D. Focusing on individual achievement. Choose the correct answer from the options given below:				B only								
	a) C & D	b) A & B	c) B only	d) C only	c								
60	Education impacts social structure by: A. Increasing the gap between rich and poor. B. Reinforcing social inequalities. C. Promoting social mobility and equal opportunity. D. Strengthening wealth among people of community. Choose the correct answer from the options given below:				C only								
	a) C & D	b) A & B	c) B only	d) C only	d								
61	Assertion (A): Social group is a casual collection of people. Reason(R): Members of a social group involve in interactions. In the light of the above statements, choose the most appropriate answer from the options given below.				A is false, but R is true.								

	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	d								
62	Education is a sub system of wider:				Social System								
	a) Social System	b) Political System	c) Religious System	d) Economical System	a								
63	Match the following pairs: <table border="1"><tr><td>A. Max Weber</td><td>i. His work on role of education in maintaining social solidarity is highly influential</td></tr><tr><td>B. Prohibition of physical punishment and mental harassment	B. Section 17	ii. 6 to 14 years.	C. 25% reservation in private schools	iii. Admission of disadvantaged children.	D. No detention policy	iv. No failing till completion of elementary education.	A-ii, B-i, C-iii, D-iv
A. Age group covered under the act	i. Prohibition of physical punishment and mental harassment												
B. Section 17	ii. 6 to 14 years.												
C. 25% reservation in private schools	iii. Admission of disadvantaged children.												
D. No detention policy	iv. No failing till completion of elementary education.												
	a) A-ii, B-i, C-iii, D-iv	b) A-ii, B-i, C-iv, D-iii	c) A-iv, B- iii, C-ii, D-i	d) A-iii, B-iv, C-i, D-ii	a								
73	What was the primary objective of the District Primary Education Programme (DPEP) launched in India?				Improving access and quality of primary education in educationally backward districts.								
	a) Providing vocational training to high school students.	b) Improving access and quality of primary education in educationally backward districts.	c) Introducing digital learning in urban primary schools.	d) Replacing the Sarva Shiksha Abhiyan (SSA) with a new policy.	b								
74	Which of the following statements about the District Primary Education Programme (DPEP) are true? A. DPEP was supported by both the government of India and				A and C only								

	<p>international agencies like the World Bank.</p> <p>B. DPEP completely replaced all other national education schemes.</p> <p>C. One of the objectives of DPEP was to reduce gender and social disparities in primary education.</p> <p>D. DPEP was applicable only to private schools in selected districts.</p> <p>Choose the correct answer from the options given below:</p>				
	a) A & C only	b) B & D only	c) A & B only	d) C & D only	a
75	The main objective of merging Sarva Shiksha Abhiyan (SSA) into the Samagra Shiksha Abhiyan is:				Creating an integrated scheme for school education from pre-primary to higher secondary level.
	a) Focusing only on primary education and eliminate secondary education support.	b) Separating teacher training from school education.	c) Creating an integrated scheme for school education from pre-primary to higher secondary level.	d) Privatizing government schools for better management.	c
76	Which of the following does reflect the primary objective of the Sarva Shiksha Abhiyan (SSA)?				Ensuring free and compulsory education for all children aged 6 to 14 years.
	a) Providing vocational training to youth in rural areas.	b) Ensuring free and compulsory education for all children aged 6 to 14 years.	c) Promoting higher education and research among university students.	d) Supporting private schools in expanding infrastructure.	b
77	Which of the following does reflect the approach of inclusive education for children with special needs under initiatives like Sarva Shiksha Abhiyan?				Integrating children with special needs into regular schools with necessary support services.
	a) Establishing separate schools	b) Integrating children with	c) Providing home-based	d) Focusing only on	b

	exclusively for children with special needs.	special needs into regular schools with necessary support services.	education only for children with severe disabilities.	academic achievement without addressing individual learning needs.	
78	<p>Which of the following statements are true according to the RPWD Act-2016 regarding the role of a care giver?</p> <p>A. A caregiver can be a family member or any person designated by the person with disability.</p> <p>B. A caregiver must always be appointed by a competent authority through a legal process.</p> <p>C. A caregiver's role includes supporting the person with disability in decision-making and daily living activities.</p> <p>D. A person with disability has the right or changes their care giver.</p> <p>Choose the correct answer from the options given below:</p>				A and D
	a) A & B	b) A & C	c) B & C	d) A & D	D
79	<p>Assertion (A): The RPWD Act, 2016 mandates that all public buildings shall be made accessible to persons with disabilities within stipulated time frame.</p> <p>Reason(R): The Act recognizes accessibility as a fundamental right and includes specific timelines for the implementation of universal design.</p> <p>In the light of the above statements, choose the most appropriate answer from the options given below.</p>				A and R are true, and R is the correct explanation of A.
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	a

80	Match the educational schemes given in column-I with their objectives in column-II:				A-iv, B-iii, C-i, D-ii
	A. Beti Bachao Beti Padhao.	i.	Residential schools for girls from disadvantaged groups.		
	B. Sukanya Samriddhi Yojana.	ii.	Financial support for girls pursuing technical education.		
	C. Kasturba Gandhi Balika Vidyalaya.	iii.	Financial savings scheme for the education and marriage of girl child.		
	D. Pragati Scholarship Scheme.	iv.	Promotion of girls' education in educationally backward blocks.		
	a) A-iv, B-iii, C-i, D-ii	b) A-iv, B-i, C-iii, D-ii	c) A-iv, B- iii, C-ii, D-i	d) A -iii, B-iv, C-i , D-ii	a
81	In the context of Indian education and social policy, the ' <i>weaker sections</i> ' of society are:				Socially and economically disadvantaged groups such as Scheduled Tribes, Other Backward Classes, minorities, and persons with disabilities.
	a). People with physical strength less than average.	b) Individuals who are politically active but economically poor.	c) Socially and economically disadvantaged groups such as Scheduled Tribes, Other Backward Classes, minorities, and persons with disabilities.	d) Students scoring below average in academic performance.	c
82	Arrange the following sentences in a logical sequence to form a meaningful paragraph on the process of effective teaching: A. Assessment and feedback help teachers understand how much the students have grasped. B. Clear instructional goals provide direction for both teaching and				D, B, C & A

	learning. C. Engaging students actively in the learning process enhances understanding. D. Effective teaching begins with careful planning and understanding learners' needs. Choose the correct answer from the options given below:												
	a) C, D, B & A	b) D, B, C & A	c) B, C, A & D	d) D, A, C & B	b								
83	Read the following statements related to the maxims of teaching and identify the two statements that are true: A. Teaching should proceed from abstract to concrete. B. Teaching should proceed from known to unknown. C. Teaching should proceed from concrete to abstract. D. Teaching should proceed from difficult to easy.				B & C								
	a) A & B	b) B & C	c) A & D	d) D & A	b								
84	Assertion (A): Role play is an effective teaching strategy for developing communication and social skills in students. Reason(R): Role play allows students to passively observe and memorize theoretical knowledge. In the light of the above statements, choose the most appropriate answer from the options given below.				A is true, but R is false.								
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	c								
85	Match the teaching functions in Column-A with their corresponding descriptions in Column-B: <table><tr><td>A. Diagnostic Function</td><td>i. Helping students correct their learning difficulties.</td></tr><tr><td>B. Developmental Function</td><td>ii. Promoting the overall growth of learners.</td></tr><tr><td>C. Prescriptive Function</td><td>iii. Identifying strengths and weaknesses in learners.</td></tr><tr><td>D. Remedial Function</td><td>iv. Suggesting suitable strategies based on student needs.</td></tr></table>				A. Diagnostic Function	i. Helping students correct their learning difficulties.	B. Developmental Function	ii. Promoting the overall growth of learners.	C. Prescriptive Function	iii. Identifying strengths and weaknesses in learners.	D. Remedial Function	iv. Suggesting suitable strategies based on student needs.	A-iii, B-ii, C-iv, D-i
A. Diagnostic Function	i. Helping students correct their learning difficulties.												
B. Developmental Function	ii. Promoting the overall growth of learners.												
C. Prescriptive Function	iii. Identifying strengths and weaknesses in learners.												
D. Remedial Function	iv. Suggesting suitable strategies based on student needs.												

	a) A-iii, B-ii, C-iv, D-i	b) A-ii, B-iv, C-iii, D-i	c) A-iv, B-i, C-ii, D-iii	d) A-iii, B-i, C-iv, D-ii	a
86	Which of the following is the best to define Simulated Teaching?				A teaching technique that involves students practicing teaching skills in a controlled environment, often with peers acting as students.
	a) A method of teaching where students are taught through real-life classroom.	b) A teaching technique that involves students practicing teaching skills in a controlled environment, often with peers acting as students.	c) A process where teachers use virtual reality tools to simulate classroom environments for effective training.	d) A type of online teaching where educators use simulations of real-world situations to engage students in problem-solving.	b
87	<p>Read the following statements about Programmed Learning and identify the two statements that are true:</p> <p>A. Programmed learning emphasizes passive listening to lectures.</p> <p>B. Programmed learning involves breaking content into small, sequential steps with immediate feedback.</p> <p>C. It discourages self-paced learning and promotes group-based instruction.</p> <p>D. Learners' progress at their own pace based on their responses.</p> <p>Choose the correct answer from the options given below:</p>				B & D
	a) A & B	b) B & C	c) B & D	d) A & D	c
88	Which of the following is the best to define learning in the context of education?				A permanent change in behavior or knowledge resulting from experience or practice.
	a) A temporary change in behavior due to mood or emotion.	b) A permanent change in behavior or knowledge resulting from	c) A biological process of growth that occurs naturally over time.	d) A method of memorizing facts without understanding their meaning.	b

		experience or practice.			
89	Match the phases of teaching in Column A with their correct descriptions in Column B:				A-ii, B-i, C-iii, D-iv
	A. Pre-active Phase	i.	Actual interaction between teacher and students takes place.		
	B. Interactive Phase	ii.	Planning of content, objectives, and strategies before teaching.		
	C. Post-active Phase	iii.	Evaluation of teaching outcomes and student performance.		
	D. Feedback Phase	iv.	Gathering responses to improve future teaching practices.		
	a) A-ii, B-i, C-iii, D-iv	b) A-iv, B-i, C-iii, D-ii	c) A-iv, B-iii, C-ii, D-i	d) A-iii, B-iv, C-i, D-ii	a
90	Arrange the following steps of the micro-teaching cycle in the correct sequence: A. The trainee re-teaches the lesson after incorporating the feedback. B. Feedback is given by peers or supervisors based on the teaching performance. C. The trainee plans a short lesson and teaches it to a small group. D. The trainee reflects on the feedback and modifies the lesson plan accordingly. E. Choose the correct answer from the options given below:				C, B, D & A
	a) C, D, B & A	b) D, B, C & A	c) C, B, D & A	d) D, A, C & B	c
91	Assertion (A): Allport's trait theory emphasizes that cardinal traits dominate an individual's personality. Reason(R): Cardinal traits are common and do not shape a person's behavior across most situations. In the light of the above statements, choose the most appropriate answer from the options given below.				A is true, but R is false
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	c

92	What is primarily assessed in a performance-based intelligence test?				Abstract reasoning and problem-solving
	a) Language skills	b) Abstract reasoning and problem-solving	c) Emotional regulation	d) Social skills	b
93	<p>Assertion (A): Special education and inclusive education are identical in their approach.</p> <p>Reason (R): Special education and inclusive education aim to provide education to students with disabilities.</p> <p>In the light of the above statements, choose the most appropriate answer from the options given below.</p>				A is false, but R is true.
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	d
94	Which of the following is not a characteristic of inclusive education?				Segregated classrooms
	a) Collaboration among students	b) Segregated classrooms	c) Supportive services in mainstream settings	d) Equal access to education	b
95	<p>Standard score is preferred because:</p> <p>A. It indicates an index of relative rank.</p> <p>B. It is well defined property of normal curve.</p> <p>C. It represents a fixed and uniform number of units throughout scale.</p> <p>D. It is easy to analyze physical features of constructs.</p> <p>Choose the correct answer from the options given below.</p>				A, B & C only
	a) B only	b) A, B & C only	c) A, B, C & D	d) A & B only	b

96	<p>Which of the following statements is/are false?</p> <p>A. In research, Range and Standard Deviation are the Measures of Variability. B. In research, Mean and Mode are the Measures of Central Tendency. C. Skewness provides useful descriptive information about a distribution. D. Kurtosis is a measure reflecting the degree to which a distribution is asymmetrical.</p> <p>Choose the correct answer from the options given below.</p>				D only
	a) D only	b) A only	c) B, C & D only	d) A & B only	a
97	<p>A practice that enables a learner to challenge the existing disposition and reconstruct them from democratic egalitarian perspective individually and collectively is known as:</p>				Critical Pedagogy
	a) Critical Pedagogy	b) Andragogy	c) Pedagogy	d) Heutagogy	a
98	<p>Read the description carefully.</p> <p>“A student is a very sincere and hardworking. Through out the academic session she does well in all the activities. At the end of the session, she appears in the exam but could not pass the exam. She is retained in the same class.”</p> <p>The above described process is called as:</p>				Evaluation
	a) Evaluation	b) Testing	c) Measurement	d) Assessment	a
99	<p>The social process through which cultural traits are spread from one society to other is known as:</p>				Cultural diffusion
	a) Acculturation	b) Assimilation	c) Cultural diffusion	d) None of these	c
100	<p>Assertion (A): Culture preserves the features of past.</p> <p>Reason(R): Culture reflects habits and customs.</p> <p>In the light of the above statements, choose the most appropriate answer from the options given below.</p>				A and R are true, but R is not the correct explanation of A.
	a) A and R are true, and R is the correct explanation of A.	b) A and R are true, but R is not the correct explanation of A.	c) A is true, but R is false.	d) A is false, but R is true.	b
