Notice Regarding Ph.D. Admission 2025-26 in Genetics and Plant Breeding Programme

This is to inform all applicants for the Ph.D. program in Genetics and Plant Breeding at Rajiv Gandhi University for the academic year 2025-26 that, after careful review of applications, none of the candidates have been found eligible for admission.

The applications were rejected as they did not meet the essential eligibility criteria specified in the RGU Admission Bulletin 2025-26.
